

# The Nature Camp *in The Village of Gates Mills*

**READY OR NOT...HERE COMES SUMMER 2022!**

The Nature CAMPS in The Village are sure to be the most popular educational and motivational summer camps in Northeast Ohio. The Nature CAMPS in The Village will daily incorporate the popular format of using hands-on and discovery learning methods to explore the many phenomena in nature, science, art and physical education all while building self-esteem and positive character in each camper.

The Nature CAMP in the Village offers, three camps to meet the needs of all age groups; **Preschool Nature Camp** (3-4 year olds), **The Nature Camp** (K-5<sup>th</sup> Grade) and **Extreme Teen Camp** (6<sup>th</sup>-8<sup>th</sup> Grade).

**Preschool Nature Camp** offers an exciting opportunity for children **ages 3 and 4** to experience fun, friendships and exploration as they investigate the great outdoors through the picturesque Village of Gates Mills.

**The Nature Camp** in The Village provides campers **Kindergarten-5<sup>th</sup> grade** with the opportunity to foster an appreciation for and love of nature by inviting the campers to explore the world around them through hands-on, outdoor, experiential learning. Campers will have many life long memories through field trips, river activities, nature hikes and many, many other daily adventures!

**The Nature Camp...ETC** is more than a summer **Extreme Teen Camp** for campers in **6<sup>th</sup>-8<sup>th</sup> grade**. While our campers are having the time of their lives on multiple field trips, canoeing, hiking, camping, discovering science truths and participating in many adventurous activities in some of the greatest scenery throughout Northeast Ohio, something else is happening. They will be growing in numerous ways: self-confidence, social achievement, teamwork, leadership and new outdoor skills, to name just a few.

\*COVID-19: Since Coronavirus is still a fluid and ever-changing situation, we as a camp unfortunately will not know any of the protocols that we may have to follow or implement if any at this time. It is our desire to return camp back to the "old normal" as much as possible. Our only limitations will be our full adherence to mandates Imposed by the Governor and/or County Board of Health on our operations.

In order to give our campers (K-8th Grade) a more diverse outdoor summer experience, camp time is shared between The Village of Gates Mills and the neighboring North Chagrin Reservation. (Specific dates and locations will be provided.)

In order to ensure the safety of all campers and employees, the Preschool Nature Camp, The Nature Camp in the Village, and Extreme Teen Camp reserve the right to reject the application of any camper who may require special services or accommodations whom the prior listed camps are not equipped for or trained to accommodate.
